Luau Party

Conversation abounded. After a great dinner catered by Frank's BBQ, Tom Yook was center stage playing our favorite tunes. After a few traditional 2-step dances later, inhibitions were set aside. It was time for some creative dance moves. First up was the YMCA! Up next was the Chicken Dance! Then as Tom Yook played his famous Phantom of the Opera, Ron S and Rich D entertained the crowd as phantoms minus the mask and cape.
